

HORTON SMITH AWARD

Steve Murphy, PGA
Prince Course

It is personally gratifying to receive this recognition of my peers, but, more importantly, it serves to reinforce my commitment to the goals I have set for myself in representing the PGA. Seeing the fruits of my efforts within the Aloha Section, particularly my work with the Kauai PGA Apprentice Council, the Kauai Junior Golf Association, the Get Golf Ready program, and the promotion of ladies' corporate events, instills in me both a professional pride and a personal satisfaction. I am also proud of my commitment to helping apprentices become Class A members; I have four Apprentices, plus one former employee, whom I have assisted in achieving their goal of full membership. My seat on the Board of Directors of the Aloha Section, both as an officer and VP, enables me to share my experience and viewpoints with fellow PGA members. My volunteer work at Junior Golf events and the dedication of considerable time to Junior Golf programs are motivated simply by my love of the game. I thank those who nominated me for the Horton Smith Award. It is my sincere desire to continue my collaboration with PGA members who share my personal and professional dedication to golf.
