

PRESIDENT'S PLAQUE

Steve Murphy, PGA
Prince Course

The President's Plaque It is an honor to be nominated for this award, and I am both pleased and humbled to be singled out for my contributions to Sectional initiatives. I am proud to have directed Junior Golf Day on Kauai, the Prince Invitational--a successful ASPGA event at the Prince Course--and the annual Patriot Golf Day Tournament, also held at the Prince Course. In addition, I am currently a "Wingman" for the Sectional Patriot Golf Initiative. For the past fifteen years I have dedicated considerable time and effort to Kauai Junior Golf, providing instructions and player development handbooks and outlines. Since 2007 I have served on the board of the Kauai Junior Golf Association as the PGA representative. I wish to thank those who nominated me for the President's Plaque.
